

# Presidents Circle

\$250,000+

*“On our visit to campus, I knew that I wanted to invest in the Pine Crest experience for our daughter. It felt warm and inviting to walk through the campus. I saw the technology. I saw well-rounded opportunities for whatever one excels at doing. I was intrigued with the behind the scenes and felt excited as a father for my daughter to have these experiences. It really touches my heart to give her options and experiences I didn’t have.”*
