

# New Families

We celebrate these families who were new to the Pine Crest community in 2020-21 and made philanthropic gifts to the School.

*“We wanted to expose our daughter to the best education so that she can be the best she can be. We heard about Pine Crest over and over. We went for a visit and had never seen anything like it. It feels like a university with so many tools, the incredible teachers, and extracurricular offerings. We walked away in awe. If she was accepted, we would move. We cried when we opened the letter of acceptance.”*
