

Program Endowments

“When we took the tour, I saw culture, systems, sound business infrastructure, and decades of experience. We saw the video on emotional intelligence and that is all I needed to see. Pine Crest is not just speaking but delivering by integrating innovation and emotional wellness throughout the curriculum. I didn’t need the rest of the tour. I didn’t know a school like this existed.”

Bernick Family Endowment for the Campus Stores established by Beth Familant Bernick and Brian Bernick
