# WELCOME TO SUMMER AT PINE CREST

Thank you for enrolling your child with Pine Crest Summer Programs on the Fort Lauderdale campus. We hope your child is as excited as we are for another great summer at Pine Crest School!

## Please read the information on pages 2-5 which is important for all campers.

Please review the information in this letter to ensure you have the information and resources you and your child need to have a spectacular experience.

A **map** detailing our drop-off and pick-up times and procedures is included in this handbook. Review it carefully to ensure a smooth experience for all. For your safety and convenience, students not picked up on time will join our **Playhouse Extended Day Program** for an additional daily charge.

## WEARING THE WRIST BAND

All campers are required to wear their wristband on the first day of summer programs. We recommend that campers wear their wristbands for the first two to three days of camp.

## CAMPER WRISTBAND CODES

Enclosed, please find your child's identification wristband(s). Please check that everything on your child's band is correct. 1. Wristbands are coded according to your pickup preferences:

- Carline drop-off/pick-up = neon red
- Bus = yellow with a bus symbol
- Playhouse = blue with a monkey face
- English Lessons = blue wristband
- Five-year-old additional wristband = red band with sun faces

2. All bands should have your child's name on the first line, a PCDC cabin code or Summer Programs camp name on the second line, and the cartoon name of his/her bus, if he or she is a bus rider.

3. Please check the spelling of your child's name, and make sure they have received the correct color-coded band.

We ask that you follow their instructions as it is their job to keep cars moving. You may be asked to "move up" in line so that we can make the area work as efficiently as possible.

Your child's name will be called as we see you in the car line and you will be assigned a cone number. Do not exit your vehicle, as our staff members will assist in getting your child into your car.

## A.M. LATE ARRIVAL

If you arrive late to camp, please park in the garage and a security officer will direct you to the Summer Camp Office. Please walk your child to be dropped off with a team member.

## PARENTS OF BUS RIDERS

Please discuss this script with your child riding the bus.

## GENERAL RULES

Each bus is named after a cartoon character, and its picture is posted on the side of the bus, remember your cartoon character. Ask a parent to quiz you on it until you really know it by heart.

- Kids must wear seat belts the whole time they are on the bus.
- Never, ever get off the bus except at your own stop.
- Please do not open the windows. All our buses have air conditioning.
- Singing and talking is great. Do not yell.
- No eating on board the bus.
- If you have a problem, tell the bus monitor or driver

## IN THE MORNING

After the bus arrives to the campus a counselor will escort your child to their program.

## IN THE AFTERNOON

After camp, the counselor will take your child to the bus lot and find the bus. Look for the bus cartoon character on the side of the bus by the door.

Never make plans to go home with someone else. Never get on any bus but your own. Do not invite other kids to come home with you on your bus.

Your bus driver or bus monitor will be taking attendance before the bus takes off for home. Listen carefully for your name and then say, "HERE!" nice and loud so that they know you are on board.

Once you are dropped off at a bus stop, you may only go home with your own family. Do not go home with anyone else. Only your parents may change this rule.

If you have any questions, please call the Transportation Office.

# SUMMER ACADEMIC COURSES AT PINE CREST

Welcome to the Pine Crest School summer term!

Please review this letter to ensure you have the information and resources to be successful in your course(s).

A map detailing our drop-off and pick-up times and procedures is included in this mailing. Review it carefully to ensure a smooth experience for all. Student drivers for all programs must park in the garage on the 3rd or 4th floor.

Additionally, you will receive in a separate communication a letter from Mr. Walters regarding the Upper School Student Handbook. You must digitally sign and return the handbook acknowledgment before your first day of class.

Since the summer term condenses an entire course into a short period of time, daily attendance is mandatory. If you need to miss class due to illness or something else unavoidable, please communicate with the Upper School office as well as the instructor for make-up plans which may involve (in the case of GDCC/Health) making up the classes in August during the second running of the course.

We look forward to seeing you on campus this summer!

- no references to drugs or alcohol.
- Shoes must completely enclose the foot.
